

Dardanelle, Arkansas, March 9, 2006 – Terra Renewal Services, Inc., a portfolio company of Saw Mill Capital LLC, announced today the acquisition of Commercial Disposal Services, Inc. (“CDS”). Based in Sulphur Springs, Texas, CDS transports and disposes of industrial and municipal wastewater residuals.

CDS represents TRS’ second acquisition since March 2005. TRS acquires companies that collect and recycle non-hazardous industrial and municipal liquid organic waste, dispose of liquid grease trap waste, and/or collect, reprocess and recycle brown and yellow grease.

Terra Renewal Services, Inc. (“TRS”) is a leading U.S. recycler of industrial and municipal wastewater residuals. On a recurring basis, TRS collects and hauls food processing and wastewater residuals and applies it for beneficial use as fertilizer on farmlands under environmental permits issued to the company. TRS also provides industrial and municipal lagoon and digester clean-out services, and yellow grease, brown grease and grease-trap collection, reprocessing and recycling services.
